

## SCHEDULE OF FEES

### Freephone and Local Rate Numbers (13/1300/1800)

**Table 1 –Transactions**

| Transaction  | Fee per transaction<br>(excluding GST) | Fee per transaction<br>(including GST) |
|--|--|--|
| Activation/Switch Update                           | \$15                                   | \$16.50                                |
| Proxy relay services:                              | \$0                                    |  |
| - allocation                                       | \$0                                    |  |
| - reserve/reserve extend                           | \$0                                    |  |
| - withhold/withhold extend                         | \$0                                    |  |
| - early release from quarantine/special allocation | \$0                                    |  |
| - cancel   | \$0                                    |  |
| - return   | \$0                                    |  |
| Suspend  | \$10.00                                | \$11.00                                |
| Suspend – Release                                  | \$10.00                                | \$11.00                                |
| Change CPSD  | \$10.00                                | \$11.00                                |
| Status Enquiry                                     | \$0                                    | \$0                                    |
| LASD Advice Reminder                               | \$0                                    | \$0                                    |
| Port - initiation                                  | \$10.00                                | \$11.00                                |
| Port - complete                                    | \$40.00                                | \$44.00                                |

Note: there is also a charge levied by the ACMA for the allocation of a new number. This is currently \$57 per number

**Table 2 –Annual Services**

| Service                        | Charge per annum<br>(excluding GST) | Charge per annum<br>(including GST) |
|--------------------------------|-------------------------------------|-------------------------------------|
| LASD Advice (incl Look Only)   | \$12,000.00                         | \$13,200.00                         |
| Mirror Update (incl Look Only) | \$4,500.00                          | \$4,950.00                          |
| Look Only Browser Access       | \$1,000.00                          | \$1,100.00                          |
| FTP service                    | \$2,000.00                          | \$2,200.00                          |

**Table 3 – Database extracts and reports**

| <b>Service</b>                      | <b>Charge per request<br/>(excluding GST)</b> | <b>Charge per request<br/>(including GST)</b> |
|-------------------------------------|---|---|
| Subsequent Database Extract Service | \$1,000.00                                    | \$1,100.00                                    |
| New or Altered SD Details Report    | \$0.00  | \$0.00  |
| PSD Usage Report                    | \$0.00  | \$0.00  |
| PSD Detail Report                   | \$0.00  | \$0.00  |
| PSD Restrictions Report             | \$0.00  | \$0.00  |
| Number Status Report                | \$0.00  | \$0.00  |
| Transaction History Report          | \$0.00  | \$0.00  |

**Table 4 – Testing**

| <b>Service</b>                   | <b>Charge per request<br/>(excluding GST)</b> | <b>Charge per request<br/>(including GST)</b> |
|----------------------------------|---|---|
| Base Testing Fee                 | \$13,000.00                                   | \$14,300.00                                   |
| LASD subscriber tests            | \$2,000.00                                    | \$2,200.00                                    |
| Mirror Database subscriber tests | \$5,000.00                                    | \$5,500.00                                    |
| Number Management tests          | \$10,000.00                                   | \$11,000.00                                   |

NB: Annual Numbering Charges also apply to Freephone and Local Rate numbers. For more information regarding the Annual Numbering Charge – go to [www.acma.gov.au](http://www.acma.gov.au) .
